

# ON THE LINES

---

Sunday, October 22, 2023 – 4 days on strike

**Here are updates from our FOURTH day out!**

**#1 – OUR WEEKEND GOAL:** Keep picketing at DOORS and DRIVEWAYS. We are setting up permanent lines / assignments at each property.

**#2 – WE ARE TAKING OUR FIGHT TO THE CASINO CAPITAL OF THE WORLD!**

- UNITE HERE Local 226 is in negotiations with MGM in Las Vegas for a good contract right now too.
- The Las Vegas local has invited some of our Detroit strikers to sit in on their negotiations next week and meet with union members there.
- MGM is the biggest player in industry and other casinos watch what they do -- so we are banding together across the country to hit them on all sides until they decide to do the right thing.

**#3 – WE ARE TAKING OUR MESSAGE STRAIGHT TO CITY HALL!**

- Tuesday morning we are taking action at City Hall.
- We will share our stories with our city's leaders.
- We have many friends among elected officials who will hear our stories and back us up.

**#4 – WE KEEP GETTING LOTS OF SUPPORT FROM FRIENDS ALL OVER!**

- People keep delivering coffee and supplies to us!
- We had a local union president visit Motor City all the way from Anchorage, Alaska and show his support!

**ONE DAY LONGER! ONE DAY STRONGER!**
