

ON THE LINES

Tuesday, October 24, 2023 – 6 days on strike

Here are updates from our SIXTH day out!

#1 – WE SHUT THESE CASINOS DOWN LIKE NEVER BEFORE!

- Very few deliveries are getting into the properties.
- As of Monday morning, October 23, MGM Grand Detroit and MotorCity Casino were not accepting new hotel bookings for the coming weeks.
- All 3 properties have elevator problems, and our brothers and sisters won't cross the line to fix them.

#2 – EVERY DAY WE HAVE TO GROW OUR FIGHT!

- Today we go to City Hall to talk to Detroit City Council members.
- Some of our co-workers are in Las Vegas as we speak. Casino workers there made a video to support us on social media!
- We also received messages of support from union casino workers in Biloxi, Mississippi.
- Lots of community people continue to drop off food, donations, and words of solidarity.

#3 – IN THE COMING DAYS WE WILL CONTINUE TO ORGANIZE AND TURN UP THE HEAT.

- Picket Captains will meet this week on the lines.
- We will go back to the table with the companies, but the real negotiations happen in the streets and on the picket lines.
- We must do everything we can to keep our lines strong and powerful and effective. Look out for more details on future actions soon.

ONE DAY LONGER! ONE DAY STRONGER!
